Annual Event Packages

The DC Police Foundation is a 501(c)(3) tax-exempt, non-profit (Federal Tax ID 41-2250114) and is funded by friends and supporters through annual membership dues, general donations, in-kind donations, event fundraising, and grants. Partnerships and collaborations are the key ingredients we utilize to achieve sustainable solutions and continuous improvements in public safety! Through a series of annual events and initiatives, we are able to fund and support the MPD youth and community outreach initiatives, as well as support unmet needs of the Chief of Police and his team.

By purchasing an Annual Event Package, you will enjoy discounted events while making a difference for the brave men and women of the Metropolitan Police Department and the youth from the most challenged communities of this city.

Chief Events

Evening with the Chief & Breakfast with the Chief

Please join the Foundation and MPD for these two rare opportunities for up close and personal conversations and interactions with our very own Police Chief. These discussions touch on current, relevant issues that affect every individual and entity in the district. Your sponsorship allows the Foundation to continue to successfully run special events and programs throughout the year.

Youth Division Showcase

Please join the youth participants of the MPD and Foundation programs, which run throughout the year. After a presentation from the Police Chief, the Youth Division Commander will introduce guests to representatives from the many outreach programs of the Department. Guests will enjoy meeting our Junior Cadets, Cadets, Classrooms to Careers Interns, Summer Youth Academy students, and Public Safety Academy students. Help the MPD and Foundation team show these young leaders that there are many people who support them and care about their success.

Women in Blue

Please join the Foundation as they interview a panel of females in law enforcement. The annual event allows guests to listen to the stories of women from different ranks and units throughout the Metropolitan Police Department. Learn more about what first sparked their interest in law enforcement, their story of growth throughout their time with the MPD, as well as their opinions on work-life balance. With a department that is 23% women, it is important to learn more about the women who thrive in the male dominated world of policing.

Make a difference in the lives of DC youth. Support the pilot of the Cadet Cares Initiative. As a part of this initiative, sponsors will have the opportunity to make a difference in the lives of our amazing Junior Cadet 5th graders. The Junior Cadet Program is designed to: improve students' school performance, behavior and attendance; encourage positive attitude toward law enforcement and help students gain a positive self-image. To do this, School Resource Officers work with a class of 5th grade students from the most challenging neighborhoods on curriculum, as well as take students on excursions throughout the year.

With two sponsorship options available, please consider sponsoring one Junior Cadet field trip, or one Junior Cadet. **As a sponsor you will be 1) invited to the annual Junior Cadet Welcome Back Picnic each September 2) invited to the annual Junior Cadet Graduation each May 3) receive thank you letters from the Junior Cadet (s) you sponsor throughout the year**
