

BDO | FRIENDS CAMPAIGN

Recognizing those making a *positive difference*.

Eric H. Holder, Jr., Co-Chair,
Washington DC Police Foundation

Jackie Wasni, MSS Vice President,
Mid-Atlantic Region, Motorola, Inc.

The DC Police Foundation offers Washington's business and civic leaders the opportunity to help make the District a safe place to live, work, and visit. Through the Foundation, members generously support the Metropolitan Police Department's crime prevention efforts. Members share expertise and provide funding for such programs as officer training and camps for at-risk youth. We thank Motorola for its leadership in training MPD in world-class business practices and for its generous financial support of the Foundation's public safety mission.
